

# SUMMER ARTS CAMP

## TRIPLE THREAT DANCE • SING • ACT

For little stars in the making! Provide your child a rewarding experience in the arts! For children aged 4 to 12 years and open to all skill-levels, these camps offer quality training from qualified teachers in dance technique and style, vocal skills and projection and play building and improvisation.

### DANCE

**Ballet** - The basis for all other dance styles. Introduction to basic ballet movements with a focus on balance, coordination, stretching, rhythm and counting. Through ballet, we hope to inspire your child to create in a musical way!

**Jazz** - An upbeat, energetic dance class that will teach your child the fundamentals of the jazz style. This class reviews space awareness, body positions and will finish with a fun segment of choreography to a top 40 hit!

**Hip Hop** - Focusing on funky footwork, musicality and isolations, this class will be the ultimate experience for your child as he/she is given the opportunity to learn choreography and to grow comfortable with freestyling his/her favourite moves.

**Tap** - It's like drumming with your feet! Children will learn a strong sense of rhythm through observing and echoing the instructor's tap sounds.

**Musical Theatre** - This offers the perfect opportunity to mix theatrics with dance. The biggest Broadway Classics will be showcased in this class, giving dancers the ability to interpret and express accordingly!

### ACT

**Improv** - The most candid moments! Give your child the opportunity to engage in a storyline, character, and dialogue that is all made up on the spot. A great way to express interpretation and imagination.

**Drama Games** - The best games that channel a child's innermost imagination! Along with being FUN, drama games help to develop a child's self-confidence, listening skills, and team-oriented attitudes.

**Broadway Best** - Let's re-enact some of the most famous Broadway scenes. Annie, Rent, Matilda, Wizard of Oz... Give your child an amazing opportunity to act out lines from a classic!

### SING

**Disney Tunes** - Sing your favourite Disney tunes with all of your best friends! Accompanied by a pianist, children will be taught breathing, phrasing and dynamics of voice fundamentals.

**Pop Star** - Learn to sing and move to some of the most popular songs on the radio. Singing and dancing together is a fun way to develop coordination and rhythm!

**School of Rock** - Let's Rock Out! Jamming to and singing memorable songs that engage audiences abroad. Classes begin with a voice warm up and finish with learning and performing Rock 'n Roll classics.
